Temple Inn & Suites

A Touch of Heaven during your stay

www.templeinn-suites.com

Site Purpose:

The purpose of this website is to inform the people all over the world about the uniqueness of our inns & suites. Our goal is to have a Temple Inn & Suites located close to every temple through out the world. We want people to know, with these Temple Inn & Suites, they can come and stay awhile or after a long drive they can shower and change in our large changing rooms made especially for those temple attendance

Target Audience and Scenarios:

The majority of the audience will be those attending the temples and or having weddings and needs a place for their reception.

Visitors to site:

Ages 12 years, on up.

Singles, married, youth groups, families, those getting sealed, etc.

Access the site:

Desktop: 25%

Tablet: 10%

Mobile: 65%

Scenarios:
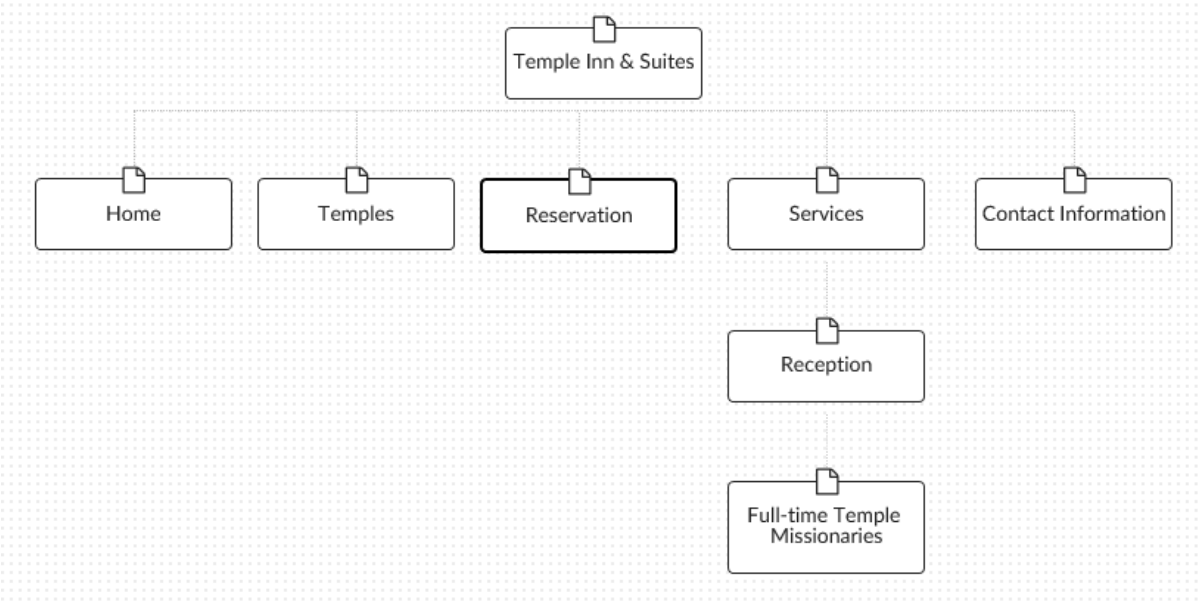

Were can we find a reception area close to the temple?

We have to drive five hours to attend the temple. Is there a place we an all change into our Sunday clothes?

We are going on vacation, is there a place we can stay that is near the temple?

What is the weather like today?

Where can our children stay while we are attending the temple?

Site Map:

Color Scheme:

Color scheme is rich purples with gray. These colors are of royalty as is Heaven. We learn the color purple is rare in nature and because of this, it is considered sacred, as are our temples. We want our clients for feel as our inns and suites are an extension of the temple.
